

Two female healthcare professionals, likely nurses or doctors, are shown from the chest up. They are wearing white lab coats over dark scrubs. The woman on the left has blonde hair and is smiling warmly. The woman on the right has brown hair and is also smiling. They are positioned in front of a large window that looks out onto a cityscape. A red diagonal line runs across the upper right portion of the image. In the bottom right corner, there is a red square logo for St. Bernard's Healthcare.
